# DRINKS

To make life a little easier, we have put together some super drinks packages with easy to understand pricing (minimum 60 guests).

Alternatively please state that you would like to pay the corkage charge (£10/bottle) for your reception and wedding breakfast.

The Bar will be open before your ceremony and until 11:30pm.

If you would like a real ale keg of your choice at your wedding we make an order charge of £200 per 50L keg to cover its provision and setting up. You can then choose either to buy the entire contents of the keg up front, so that we can serve it free of charge to your guests on the day, or you can pay the order charge only and we will sell it to your guests at a significantly subsidised price (typically at June 2021 £2.50 or thereabouts per pint) on the night.

Similarly, if you would like a specific spirit on the bar at your wedding we make an order charge of £100 per 70cl bottle (depending on the spirit) to cover its provision. We will sell it to your guests at a subsidised price (typically at June 2020 £4.00 or thereabouts for a single shot inc mixer) on the night.

# ACCOMMODATION

Elegantly furnished with white linens and country house style furnishings, The Manor House is the heart of this beautiful venue and just a short stroll from the Barn. Our three super comfy bedrooms are all en-suite and offer you a luxurious place to spend the night with friends the night before your wedding and of course your wedding night.

As part of the South Wing accommodation the traditional drawing room offers space to relax and prepare for your day as well as the perfect family dining room.

The fully equipped kitchen gives guests the flexibility to cater for themselves the night before (alternatively ask for our Freshly Frozen range) and enjoy a leisurely breakfast without time restraints.
