

MANOR ESTATE

Wedding Guide

W e | c o m e

Every inch a family home, we are not stuffy or formal but relaxed and welcoming - allowing you to make the venue yours for the long weekend.

We are a talented and experienced wedding team who will guide you every step of the way, from the moment you book, until the time we wave you off as a married couple. We work with you to help create the wedding you have been dreaming of.

The grounds of Manor Estate are exclusively yours for your wedding and we want you to relax and enjoy the lead up to your day.

We offer you a full day before to ensure that enough time is factored in for any styling and personalisation, the Wedding Day until midnight, and also the following day until 2pm to collect decorations, reminisce or maybe offer some guests the chance to return and catch up with you again over brunch.

Our venue offers the flexibility to host weddings of all sizes thanks to the generous outdoor space available for a marquee. Whether you're planning an intimate gathering or a large celebration with all your family and friends, the grounds can comfortably accommodate a marquee tailored to your specific guest numbers and vision.

By choosing a marquee, you have the freedom to design your layout, décor, and atmosphere exactly as you wish, making your wedding day feel personal and distinctive. As the day transitions into evening, our barn provides the perfect setting for celebrations to continue. With its characterful charm, it's an ideal space for your bar, music, and dancing—creating a warm and lively atmosphere for you and your guests to enjoy late into the night.

Please note that marquee hire is not included as part of the venue package.

Couples are required to book a marquee company separately, giving you the flexibility to select a supplier that matches your preferences and budget. We are happy to provide recommendations if needed and can work closely with your chosen provider to ensure a smooth setup and a seamless experience on the day.
